

Art Competition

Get creative this World MS Day! Take part in an international art competition for MS.

Express yourself

Every art medium is welcome - from painting to photography, illustration and sculpture.

Theme

The competition is based on the theme 'Connections'. The MS Connections campaign is all about community connection, self-connection and connections to quality care. Express your experiences of MS and the connections that matter most to you. You may submit a new or existing piece of art work, as long as it fits the theme 'MS Connections'.

Who can enter?

The art competition is open to all people living with, and affected by MS. Submissions from any location are welcome. Artists must be over the age of 18 to submit. There is no cost to enter or be selected.

Competition prizes

- Submissions will feature in a virtual World MS Day gallery
- Shortlisted artists will receive a World MS Day certificate
- Three winners will receive a World MS Day trophy!

Take part

Submit your artwork [on our website](#).

All entries must be submitted as a digital image. A hi-res image of your artwork will be accepted in the following formats: JPEG, PNG. The file must not exceed 20MB. Each artist can submit up to three pieces.

Judging criteria

We are gathering an international panel of judges made up of artists affected by MS. The panel will help us shortlist 10 art pieces and select the winners. Three lucky winners will be announced on World MS Day, 30 May, and each receive a World MS Day trophy.

The artworks will be judged on:

- **Relevance** How does the art piece explore and link to the campaign theme.
- **Originality** How is the art piece imaginative, different or unique.
- **Artistry** How does the art piece use creativity and technique to express meaning.

Key dates

Entries are open now!

Entries close: Monday 15 May

Let's get creative!
